January 17-20, 2018 Germain Arena

## VENDOR AGREEMENT

The Florida Inter-Club Council invites you to promote your products and/or services by reserving a vendor space in the concourse area of Germain Arena. Germain Arena consists of 3 ice surfaces under 1 roof. The concourse will be open to all spectators during practice ice and competition. Every person that enters the building will have to walk right in front of your merchandise. Germain Arena is open 24 hours a day with security during the evening hours.

Vendor units are approximately 8' deep and 8' wide. They can be reserved in a configuration of 1 or 2 units. Vendor units will be distributed around the perimeter wall on the main concourse. Vendors will be dispersed between food vendors and permanent Germain Arena merchandise space.

Choosing to be a vendor at the 2018 Eastern Sectional Synchronized Skating Championships is a great way to get your merchandise in front of an estimated 1500 competitors and their families, plus the local Florida skating community.

Each Vendor Unit reservation includes two (2) 6 foot tables and 2 folding chairs. In Addition, an advertising mention on the official page and mention in the program.
